WEDDINGS

Exclusively Yours

Nestled deep in the beautiful Wharfedale Valley of the Yorkshire Dales, sits Grassington House.

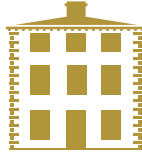

An elegant Grade II listed Georgian House, that's just a stone's throw from the beautiful Linton Falls and River Wharfe.

Grassington House presides proudly over the cobbled village square, and is a romantic setting for an intimate and individual special day.

We are licensed for civil marriage and partnership ceremonies for up to 44 guests as well as offering luxury accommodation, first class service and an award-winning and experienced team ready to cater for your wedding.

A wedding at Grassington House is a cherished occasion and designed bespoke to you.

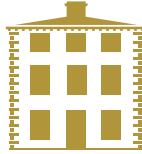

Award Winning Menus

Owners John and Sue Rudden have a lifetime of experience in organising and hosting weddings and events, and are true romantics at heart.

Grassington House menus reflect John's passion for incorporating locally sourced, fresh produce, with a 'field to fork' approach. Traditional dishes are given an original Grassington House twist, and menus can be adapted to assist you in overcoming what can be a challenging task.

With many different tastes and needs to accommodate, we're confident that our dishes will tickle even the most discerning taste buds.

Civil Ceremonies

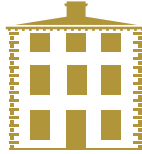

Grassington House is licenced to hold civil marriage and partnership ceremonies, which are performed by the Registrars from nearby Skipton.

We can tailor an experience which blends style, romantic charm and individuality, with a memorable meal and stay for your nearest and dearest.

Our beautifully refurbished restaurant and bar terrace areas create warm and welcoming spaces for your guests. The seating capacity for a ceremony is 44 people, which would be reset for the Wedding Breakfast, whilst your guests enjoys drinks and canapés in the bar and on the terrace.

Please note, booking the Registrar must be done by the couple and should be done at the earliest opportunity.

Luxury Accommodation

Our nine award-winning rooms have been individually styled and decorated by owner Sue Rudden, combining luxurious fabrics with designer furnishings and each with surprising and luxurious touches. They are the perfect choice for your wedding night, and for some of your guests.

The Bridal Suites are either The Square Room with its shabby-chic feel, or Number 6 with its fantastic chandelier, and your guests might enjoy the contemporary look of The Alcock Room and The Red Room or the cosy atmosphere of The Cottage Room.

All rooms have Fairtrade coffees and teas, bottled mineral water, organic Sedbergh Soap Co toiletries, and waffle bathrobes.
